

## PREPARE FOR YOUR PARTY

- Bowling will begin at your party time (11:30, 1:30 or 3:30) Your lanes are reserved for the scheduled party time, if the bowling starts late this will delay parties that are booked after yours, and may cause your party to have less bowling time.
- Please tell your guests to arrive 15-20 minutes before bowling time, during this time your guests will be getting their shoes, and we will be putting names in your lanes to prepare for bowling.
- If your party includes food, your food will be served at the end of your bowling time (12:30, 2:30 or 4:30), if you extend your bowling time it will be served after your bowling time is finished.
- After your allotted bowling time, guests may enjoy their food, cake and presents for your 45 minutes in the party area.
- Please bring your own cake or cupcakes (no ice cream, or ice cream cake)
- Please bring tablecloths and other table decorations
- Do not bring any other outside food or drinks (no water bottles, juice boxes etc)
- Some packages include soda, we do have pink lemonade for those who cannot or do not drink soda, or we can provide juice boxes (juice boxes MUST be ordered at time of booking)
- If you are ordering extra pizzas, or extra cookie platters, please be aware our ovens only allow for a certain number of pizzas at a time, if you would like us to have something ready while the guests are bowling please let us know when you arrive for the party. If you have a count you may preorder the pizzas also to make things less stressful at the beginning of the party.
- We understand that you will book the party before invitations are sent and RSVP's are received, when you book the party give us your best estimate of guests, if the number changes significantly please give us a call so we can be prepared and make sure that you have the lanes that you will be needing.
- If you require additional lanes for adult guests, please let us know at the time of booking. We cannot guarantee additional lanes will be available when you arrive, without a reservation.
- Deposits made at time of booking are non-refundable.
- We hope that you enjoy your party!
